4. (Internal Use Only - JGO) In the absence of Herb Roback, Staff Director, Legislation and Military Operations Subcommittee, House Government Operations Committee, I met with Doug Dahlin, Counsel for the Subcommittee, and gave him a copy of the Comptroller General's letter to Dr. Schlesinger concerning police training by the Agency.

5. (Internal Use Only - JGO) Talked to Bill Hogan, House Armed Services Committee staff, who told me that Ehrlichman will be appearing before the Committee on Wednesday and that he had been unable to locate various documents referenced in the press concerning the Ehrlichman/Cushman "debate." I gave him the tab numbers for the documents which had been furnished the Committee.

6. (Confidential - JGO) Received a call from Miss Butler, Administrative Assistant to Representative Robert Sikes (D., Fla.), and in response to Representative Sikes' request, scheduled a meeting for 11:00 a.m. Tuesday, 12 June 1973, with [REDACTED], South Vietnam. 25X1A

7. (Confidential - JMM) Pat Holt, Senate Foreign Relations Committee staff, called to ask what we knew about the case of an American who has for some years been in a Cuban prison on charges of espionage and black marketing. I told him we would look into it and advise. He said a member of the Committee had been receiving inquiries from the brother of the individual in question as to what might be done to spring him.

8. (Confidential - JMM) Picked up from Frank Slatinshek, Chief Counsel, House Armed Services Committee, an "advance" of a series of articles about Sam Adams which the author, Patrick Sloyan of the Hearst newspapers, had sent Chairman Nedzi, Intelligence Subcommittee. After consulting George Carver and Paul Walsh, I called Slatinshek back to say we would be glad to brief Slatinshek and Nedzi on the facts at their convenience. Slatinshek will let me know when they can decide on a convenient time.
